

Change What is Wrong - Keep What Works

Reform Cohocton makes sense and is the answer

Reasons why Cohocton is in trouble are clear

- ★ **Only** a select group of insiders benefit from town government policies.
- ★ The **majority of residents** are ignored and excluded from representation.
- ★ The **process of government** is distorted, lacks balance and basic fairness.
- ★ Policy is **made in secret** and decisions often **violate laws and regulations**.
- ★ **Part time residents** are treated shamefully as unwelcomed intruders.

How to improve Local Government

- ★ Establish **professional ethical standards** with open public disclosure.
- ★ **Develop positive programs** that encourage local private business.
- ★ **Promote Cohocton** as a place where families and individuals can prosper.
- ★ Encourage **sensible growth** and **economic opportunities** for everyone.
- ★ Demand **capable leadership** and make needed constructive changes.

Why Support Reform Cohocton?

- ★ **Current government has failed.** Cohocton needs to achieve real progress.
- ★ Competitive elections mean needed **choice and political accountability**.
- ★ People **deserve** a chance to express their viewpoint for a better town.
- ★ This and future generations have a right to a **quality environment and community**.
- ★ **Take pride in contributing to a town where government can be respected.**
