

“Huge Tax Cut” = 30% of What?

In a *Valley News* article on election day Cohocton’s incumbents promised us a “Huge Tax Cut” of 30% next year using wind money. But 80% of our total tax bill is county and school taxes which aren’t affected by the Town budget at all, so it’s really 30% of 20%, which is about 6%. This is HUGE? Besides, didn’t your assessment just go UP 30% like ours did?
